

MSIMANGA

V I S I O N

COMPANY OVERVIEW

1. CORPORATE IDENTITY & COMPLIANCE

Registered Name: Msimanga Vision (Pty) Ltd

Registration Number: **2023/920216/07**

VAT Number: **4510315841**

CSD Supplier Number: **MAAA1372035**

B-BBEE Status: **Level 1 Contributor (100% Black Owned)**

Headquarters: 3764 Mtjilibe Street Ext 23, Heidelberg, 1441

2. EXECUTIVE STATEMENT

Msimanga Vision is a strategic infrastructure partner based in Heidelberg, Gauteng. We provide a unified supply chain solution that integrates Industrial Safety (PPE), Physical Branding, and Digital Architecture.

- **The Mission:** To serve as the "Sovereign Companion" to South African enterprises.
- **The Value:** We move businesses away from fragmented vendor models toward a single, high-fidelity infrastructure partnership.
- **The Strategy:** Ensuring clients remain secure through Tier-1 equipment and visible through world-class branding.

In a volatile economic landscape, we ensure our clients remain secure through Tier-1 safety equipment and **visible** through world-class branding and digital engineering. We move businesses away from fragmented vendor models toward a single, high-fidelity infrastructure partnership.

3. CORE SERVICE VERTICALS

Vertical I: Industrial Safety & PPE

Industrial Safety & PPE We are a high-volume supplier of zero-compromise, OHS-compliant Personal Protective Equipment sourced exclusively from global infrastructure leaders.

- **Global Partners:** JCB, CAT, Bova, Sisi, and Jonsson Workwear.
- **Key Inventory:** S1-S3 Safety Footwear, Technical Workwear, and Specialized Protective Gear.

Vertical II: Corporate Identity Production (Powered by StormTank)

We translate brand equity into physical assets. Utilizing advanced industrial machinery, we provide precision branding that ensures your team commands authority on-site and in the boardroom.

- **Capabilities:** Industrial Embroidery, Screen Printing, Laser Engraving, and Sublimation.
- **Focus:** High-durability branding for industrial and corporate apparel.

Vertical III: Digital Infrastructure

- Powered by: Allanux Web & Mvision Web (The Founding Digital Division).
- Strategic Change: We have unified the legacy expertise of Mvision Web with the advanced architecture of Allanux Web to provide a dual-layered security and hosting solution.
- **The Capability:**
- **Digital Sovereignty:** Engineering the frameworks that allow enterprises to scale while remaining secure from external threats.
- **Managed Technical Hosting:** High-uptime, secure server environments for corporate data.
- **Full-Stack Development:** Custom web architecture designed for performance and high-fidelity user experience.
- **Search Engine Optimization (SEO):** Advanced visibility strategies to ensure our partners dominate their specific market share.

4. THE VALUE PROPOSITION (Why Partner With Us?)

- **Preferential Procurement:** Our Level 1 B-BBEE status allows corporate partners to maximize their procurement recognition.
- **Unified Supply Chain:** We eliminate administrative friction by consolidating safety, branding, and digital services under one compliant entity.
- **Brand Integrity:** We guarantee 100% original Tier-1 global brands, ensuring the longevity of your investment and the safety of your personnel.
- **Strategic Agility:** Based in Heidelberg, we are positioned to provide rapid-response logistics to the Gauteng industrial hub and beyond.
